TELEGRAPH.

New York, Dec 23—The Treasurer of the United States has addressed a letter to Messrs. Andrew T. Hall and others in this city, which contains an important decision relative to the undivided profits of National Banks. He says: Under the provisions of the Alexander of the Alexander of the States of Say, 1000.

MONDAY.......DECEMBER 25

It has always been clear to me, that profits should pay a duty under this section. The question might be raised, "Should they pay duty as deposits or capital?" It appearing to me that they were more in the nature of a deposit were more in the nature of a deposit or capital?" It appearing to me that they were more in the nature of a deposit of the capital of the capita week at Raleigh, N. C., before a military commission.

The presentation of the battle flags carried by the Massachusetts regiments during the war to the State took place in

> by the different constructions. The Comoner of Internal Revenue construes

ired by the same act. While it is true the national currency act, in providing for the semi-annual duty, specifies it his duty shall be in lieu of all existing taxes. It so happens this provision is not applicable to the Internal Revenue act, which became a sequent to the passage of the national act. I desire to state that I have bereto ore, on several occasions, had oportunity to say, both verbally and by written communication, that, in my opin iou, public policy requires that in sur-plus funds of a bank to the extent say of 20 per cent of the capital should, under certain circumstances, be exempt from all duty. This view, I am pleased

subject their attention. It is proposed therefore, by the Com missioner of Internal Revenue, and by was reopened on Friday for the first time myself, that at some early period in the session a meeting be had of officers Ward, the murderer of a policeman of Ways and Means, and of the Commitmatter relating to banks will probably Over two hundred and fifty Americans come for consideration, and it is most celebrated our National Thanksgiving likely that the result of such recommend-Two millions of Mexican dollars, coin-ed at El Passo, have been deposited in a least to such an extent as will greatly

Washington bank to the credit of the strengthen banks by the accumulation and retention by them of surplus funds. Republic of Mexico.

The American legation at Jeddo, Japan, has transmitted to the Department of Agriculture a lot of vegatable and flower seeds, embracing over two hundred varieties. It is not stated whether these seeds are intended for public distribution, or merely for experimental purposes in the gardens connected with the department.

dent for the Collectorship. The Secre-tary's decision will be universally re-ceived with satisfaction, the desire being general that Mr. Van Dyke shall be continued where he has proved effi-

The demand for money is not very active. Some of the private bankers have offered round sums at 6 per cent. over to Tuesday, but the general rate of call rate of foreign paper is 8@9 per cent. Naturn Worl Other grades are 10@12. Gold is weak, Boot 8 fine ... to anticipation of the payment of nearly ten millions of gold interest by the Treasury. Exports of specie to-day amount to \$453,544. Gold quoted at 1452. Business at the stock board this morning was confined to the customary blowing, and transactions were deferred as much as possible to next week. The general tone of the market is more buoyant than yesterday, and the dull side are confident of a rise in prices after the holidays. Governments are quiet but firm, and 7-30s are about 1 sprayurs. lowing, and transactions were deferred

higher. New York, Dec. 23 .- The Times's Riebmond correspondent says: lition of this section financially, there is generally an expressed wish that our 4-4 Conestoga Government should be embroiled in a foreign war. This wish finds its origin with a certain class in the heartfelt will longing for an opportunity to wipe out the disgrace now attached to them on courtesy. He congratulated them on the adjustment of the State debt. Thirty-two years ago he had given his vote for the great system of internal improve-the great system of internal improvetwo years ago he had given his vote for the great system of internal improvements, which was the beginning of prosperity of the State, and he was now that of traitor. To free themselves from that of traitor. To free themselves from that of traitor, and to put themselves wanks Club, and 2 42 for new white Michigan.

> Latest from Texas. New Ortsans, Dec. 22.—Judge Rea-gan stated, in the Convention at Galveston, that before leaving Washington, he had an interview with the President and Seward who expressed their opinion that confiscation. They believed enough blood had been shed, and that the South

The Galveston News reports favorably on General Gregory's late address to the Freedmen of Texas, and hopes much good may result in satisfying the negroes that the Government will not make a distribution of property among them; that they must work, and advising them o go with their former owners first. The Galveston Medical College is open for a course of lectures.

The people of Texas are reported as generally taking the oath, in order to become voters in the coming election. The Times Brownsville correspondent says that Austrian reinforcements to the amount of 400, are anxious to de- | GOLD 148%
